

“The Big Story: Three Trees, Three Gardens”
Genesis 1-3; John 19-20; Revelation 22
Pastor Scott Wilson

Part One: “First Tree, First Garden”

Three truths...

1. God created us to have an intimate, personal relationship with Himself
2. Our sin has broken our relationship with God
3. Ever since the first garden, God has been unfolding a plan to bring us back to a garden

Part Two: “Last Tree, Last Garden”

At the end of the Big Story,

1. Some People Get to Re-Enter the Garden
2. Some People are Still Left Outside the Garden

Part Three: “Middle Tree, Middle Garden”

Two central Easter truths...

1. Jesus Died on a Tree to Pay For Our Sin At the Tree
2. Jesus Walked Out of a Garden So We Could Walk Back Into the Garden
